The Follow Your Dream Foundation, Australia (TFYDFA)

The Follow your Dream Foundation, Australia was set up in 2013-14 with an aim to help disadvantaged Women and Children.

The assistance can take many forms like health, education and income generation.

The Foundation received \$100000 from Lions Clubs International Multiple District 201, Australia through the chairman Barry Palmer. Several other fund raising nights were organized by the Sydney Inner West Lions club to help establish the foundation financially.

The Foundation is sponsoring children to a school camp in South Australia and is supporting children feeding program in India.

The Foundation has a Board of Trustees that oversee the running of the Foundation.

We have committed to a village in India to become a smart village by funding Safe Drinking water and Sanitation needs to start with.

A recognition program has now been developed to encourage individuals, groups of people, Lions Clubs, NGO's etc. to support the program financially. In the future we will be looking at Donors visiting the projects with us to assist with the work in the village
